

JOHN F. BROWN COMPANY

joins

JACOBS CONSULTANCY

Nearly **35** years joins more than **60** years
of service to airport management

As our clients are planning their future, we are expanding our capabilities to help them achieve their goals with the acquisition of John F. Brown Company. For nearly 35 years, JFB has been assisting airports with financial and business planning, and effective August 9, 2007, John F. Brown Company became part of the Aviation Management Consulting Division of Jacobs Consultancy.

Mike Brown, President of JFB, said this about the transition to Jacobs Consultancy *"John F. Brown Company and Jacobs Consultancy have a long-term, demonstrated commitment to serving airports, to excellence, and to innovation. This transition makes sense for JFB, for Jacobs Consultancy, and more importantly, for the clients we will serve together."*

MORE...PASSION, INNOVATION, RESULTS...for our clients

**JACOBS
CONSULTANCY**

The addition of John F. Brown Company to Jacobs Consultancy continues our tradition of excellence and our commitment to providing clients with innovation and results.

WHAT THIS MEANS FOR OUR CLIENTS:

- ***Immediate access to the greatest depth and breadth of airport finance and business advisory services in the industry***
- ***Even more expertise in issuing airport revenue bonds to finance the expansion of airport facilities with the combined experience of the top two feasibility consulting firms in the industry***
- ***Expanded services in core financial and business planning areas, including long-term financial and business planning, airline rates and charges analysis, passenger facility charge program development, and capital program funding strategies***
- ***Expanded rental car facility business and financial planning services***

Our national offices will expand to include Cincinnati, Ohio—the current location of John F. Brown Company.
